**Camp:** Camp is located in a gorgeous meadow on Alex Draw, at an elevation of approximately 6,500 feet, very accommodating for big rigs. There are very few services available in the nearby town of Spencer, Idaho, so please plan accordingly, especially pertaining to fuel. Certified weed free hay is required. The nearest farm stores are in Idaho Falls (if coming from the south) or Dillon (if coming from Montana). No cell service in camp. Horse water and porta potties will be provided. ALL dogs must be on a leash!

**Directions:** To find ride camp, take I-15 to the Stoddard Creek Area via exit 184. Go north off the exit and follow W Camas Creek gravel road up Porcupine Pass for approx. 10 miles, then turn right onto Alex Draw Road for ¼ mile. The road will be marked.

**Trail:** Trails climb to about 9,000 feet on the Continental Divide. They are mostly two-track and single track, with minimal roads. Footing is good overall, but there are rocks. Hoof protection is strongly recommended. Be prepared for all weather.

**Health Certificate Address:** The ride camp address is Alex Draw, Spencer, Idaho, 83446. 44°28'38.4"N 112°04'58.7"W
