

Release and Waiver of Liability

Authorization to Release Blood Draw Results

Ride Name: _____ "RIDE"

Person Requesting Draw: _____

Owner or Rider AERC #: _____

Horse Name: _____ "HORSE"

Horse AERC #: _____

Date of Draw: _____

I acknowledge that I have voluntarily asked Pacific Northwest Endurance Rides ("PNER") and its representatives and agents to collect blood on the HORSE and to run a laboratory analysis on the blood ("Test"), at certain times so designated by me while at the aforementioned RIDE.

In consideration for receiving the blood analysis results from PNER's machine at a minimal cost.

1. I agree to pay PNER the sum of _____ by cash or check (made out to PNER) for each requested Test prior to any blood draws from HORSE and to complete the attached questionnaire in its entirety.
2. I acknowledge that any veterinarian working, volunteering or at the RIDE for any reason has no obligation to interpret or provide me with advice regarding the Test results and if such interpretation or advice is sought, may result in a fee from the veterinarian.
3. I acknowledge that PNER does not warrant the accuracy of the Test results, and I fully assume the risk if the analysis is not complete.
4. I agree that PNER may release the Test results and questionnaire to any person or entity engaged in research, which the PNER board feels will promote the welfare of the horse, the sport of endurance or any other legitimate reason. I agree further that PNER may include the Test results and questionnaire in a summary report to the PNER membership.
5. I further agree that I, for myself, my heirs, executors, administrators and / or assigns, hereby release, waive, discharge and relinquish any action or cause of action that may hereafter arise or accrue, and do hereby agree that under no circumstances will I or any of my heirs, executors, administrators and/or assigns present and / or prosecute any claim for personal injury, property damage, or wrongful death against PNER, its representatives and / or agents including individuals drawing blood or running the Test, the ride manager, ride veterinarians, ride volunteers, AERC or any affiliated individuals or organization (collectively "Releasees") for any of said cause of action whether the same shall arise by the negligence of any of said Releasee or otherwise.
